Jeff and Mary Ann welcome you to the Cuthbert House Inn. Beautiful water views, fine antique-filled and circa 1790, the Cuthbert House Inn on Beaufort Bay in the Historic District, offers a warm personal invitation to refresh your spirit on our shaded verandahs, in our elegant parlors, and scenic conservatory. From the sunset refreshments on the porches or by the fire, to delicious Southern breakfasts overlooking sailboat moorings, the Inn delights the senses. Spacious guestrooms are a comfortable home base for Lowcountry exploration.

Coastal Living's award in "Our Favorite Inns on Every Shore". "Top Ten Most Romantic Inns" award by American Historic Inns. Featured as INN OF THE MONTH by Travel & Leisure. See what they are saying about us at [tripadvisor.com](http://tripadvisor.com).

Jeff and Mary Ann purchased the Inn in late 2005 after successful careers in Marketing and Sales in Atlanta; Mary Ann in high tech sales and Jeff in graphic packaging. Mary Ann is using her corporate experience with a new career in real estate with Coldwell Banker in addition to her work at the Inn.
